EVENTS & FUNCTIONS

The Space

The Clubhouse function room is a large private room that can host up to 150 guests. Ideal for social occasions, corporate functions and conferences. The function room boasts 360-degree views of the golf course and surrounding areas that provides a great level of natural light and atmosphere.

Located upstairs from the Rottnest Island Golf Course Clubhouse, the function room creates distance between public visitors and function guests but also allows intermingling in areas such as the alfresco seating and the ground floor of the clubhouse. Guests can help themselves to the free pool table, lawn games such as ring toss and cornhole or sit back in one of our lounges and enjoy live sport across our three TV screens.
